February 2009

London Swimming Youth Championships 2009

The Events Management Team is looking forward to another series of successful Championships on behalf of London Swimming and welcoming more London swimmers than in previous years.

Just a few reminders about completing the paperwork.

1. Clubs **MUST** collect their entries and submit them with the remittance form as a summary.
2. Clubs with 6+ individual entries **MUST** submit the entries on a USB stick. Please apply to Jean Scott for this, which must be returned with hard copy entries.
3. Only **ONE** cheque per club to cover all the club's entries.
4. Please put entry times on the relay forms and remember Relay Cards **MUST** be completed on the reverse with the name and DOB of each swimmer in the **CORRECT** swimming order before registration closes on the day of the meet.
5. Swimmers must log where the time was achieved at a licensed meet in line with the promoter's conditions, and if it is a 25m time then this **MUST** be converted to 50m.
6. Please ensure that the gender of the swimmer has been circled.
7. Remind swimmers to register on the day for **ALL** their events in a session.

Thank you for your co-operation in these matters.

Also please note that since last year there have been minor **changes to the conditions**, including sections 4.2, 4.6, 5.2, 5.4.1, 6.4 and 6.6.
